DARPL PLP Reflection questions

How might racism manifest in the education system?

Consider your own identity, how might this impact your teaching?

What influences your attitudes? How do you manage this?

How could you ensure your educational environment is inclusive (pupil and family focused)?

Where do pupils see themselves reflected in your learning spaces?

How could you ensure your professional environment is inclusive (colleague focused)?

If anti-racism is an action not a state, what ongoing actions are you taking to ensure that you become or continue to be an anti-racist educator?

Consider a recent lesson plan, how could you improve it to embed anti-racism?

Does language matter?

What are your thoughts on the use of racist language in set texts?

How might you respond to a racist incident between pupils?

How might you respond to a racist incident involving a staff member?

What could you do if a pupil's parents/guardians expressed racist ideas?

How do you report / record racist incidents in your school? What whole school systems do you have in place? Is there anything else you can do to support children and families?

How do you include anti-racism in your curriculum?
